SUBJECT: SPAIN NOTIFIED OF USG SANCTIONS ON WINTER AIRCRAFT  
PRODUCTS SA

REF: SECSTATE 90408

(SBU) Per reftel instructions, Post notified the Spanish Ministry of Defense (MOD) of the USG's decision to place sanctions on Winter Aircraft Products for violations of the Export Administration Regulations (EAR). On July 2, poloff delivered reftel points and a copy of the Commerce Department's Final Decision Order to CAPT Eladio Ferreiro of the MOD's Directorate General for Armaments and Material/International Relations section. Ferreiro agreed to distribute the information among the members of the Inter-Ministerial Regulatory Board on Foreign Trade in Defense or Dual-Use Items (JIMDDU), though he said that the GOS had already received notice of the USG action via the Foreign Ministry.
